

Mercy Part 2 – Romans 12 Challenge by Harvesting Nations Ministries, South Africa.

1. This is part 2 of Mercy. I apply point 1 to 10 of the previous prayer to this prayer.
2. Let us begin. Please say your name I call your human spirit forward to listen and respond to this prayer. We are dealing with Mercy which is all about love. What is the truth about love?
3. Please answer the following questions for yourself and then for those you are interceding for. Write the first answer that comes to mind, not what your head says, listen to the voices of the hurt inner children and adults talking, not the one that says everything is fine. Repeat after me: Lord Jesus Yeshua Hamashiach:
 - a. Show me what is truth?
 - b. Where did I lose my trust in you? Did I ever trust you in the womb, or did I lose it before then?
 - c. Do I trust you now with my life and decisions?
 - d. Can I trust the voice that I hear to know that it is from God? If not, who is speaking?
 - e. Do I believe that God talks to me directly?
 - f. Do I believe that God is good to me?
 - g. What happened in my life that affected my trust in God?
 - h. What happened in my life that affected my trust in people?
 - i. What happened in my life that affected my trust in myself? What mistakes did I make?
 - j. Who did I trust that shattered me in pieces - the ones I remember and the ones I have blocked out?
4. Lord Jesus, please remove the amnesia walls and bring to my remembrance what happened? Please shine your light and show me truth. Show me what to do with the truth, and give me the courage to embrace the truth and to be obedient.

5 minutes and pause for more time.
